BYOD Student Agreement

I will follow the 'Acceptable Use by Students of Technology Policy' set out by the Catholic Education Office.

I will follow the classroom rules for use of devices set out by the school.

I will be 'on task' in class and I am aware of the consequences should I not remain 'on task'.

I will make every effort to bring a fully charged device to school every day.

I will handle my device respectfully.

I will ask permission before handling another person's device and I will handle it respectfully.

I will only take my device outside of the classroom with permission from the teacher.

I will ask permission prior to recording audio and taking photos or videos of other students or staff members.

I will keep my Ipad, Ipad Mini etc in my school bag, and in its case, when travelling to and from school.

I will report loss or damage of my device immediately to the teacher or my parents.

I will use my device for learning purposes:

- a. I will not text or play unapproved games during school time
- b. I will not use social media, including Kik, Instagram, Snapchat, Facebook etc
- c. I will only use the school email account at school
- d. I will only use email for school and educational purposes, including communication with parents
- e. I will only use YouTube when instructed by the teacher
- f. I will delete media that impedes the device being used for educational purposes
- g. I will not delete or tamper with profiles and configurations on my device.
- h. I will only wear headphones and listen to music (at an appropriate volume and not from YouTube or internet radio) when the teacher gives permission.
