Centred in faith and learning | Inspiring minds | Nurturing hearts

14 June 2017

Dear Parents and Carers,

RE: Hour of Code

Next term St Thomas More's Primary are offering coding, outside of school hours. Learning to code strengthens problem solving skills and logical thinking, and supports key academic subjects such as Science, Maths and Technology. Learning to code fosters a growth mindset because the learning process requires students to have a go and learn from mistakes.

Hour of Code will be open to all students – from Kindergarten to Yr 6. There is the assumption that if you choose to send your child to Coding Club, they will commit for the term. Your child will need to show regular attendance. The new learning will continue from week to week, at significant pace.

Details are as follows:

Where? **St Thomas More's Library**

When? **8.00 -8.50am every Friday**

Who? **Kinder to Yr 6 students**

Teachers? **Mr Dayne Spencer, Miss Jessica Pearson, Mrs Julie Wiley**

Parents are expected to drop their child at the top gate and they will then make their way directly to the school library.

Please complete the slip below if your child will be joining the Coding Club.

Yours sincerely,

Julie Wiley
Principal

My child (Name) in Year will be attending
Hour of Code on a Friday morning in Term 3.

Signed Name
